

INTRODUCTION

Law department is one of the most important departments of Tripura Tribal Areas Autonomous District Council. The sphere of activity of this department has increased manifold in the recent years. The Law Department is the nodal department of the T.T.A.A.D.C. legal services authority. Among the most important roles of this department is to aid and advice the TTAADC authority on the various important legal issues, to appoint, supervise and coordinate the functioning of the Advocates, to investigate any proposal from the concerned department as to formulation of any Law and to supervise the legislation of any Law from beginning to the end.

ABOUT THE DEPARTMENT

Chief Executive Member himself looks after the Law Department. The department is headed by a Principal Officer (Law). He looks after the works of the Law Department under the overall supervision of the Chief Executive Officer, TTAADC. He is assisted by the ministerial staffs of the TTAADC. Case files are received by Law Department from the other departments of TTAADC for seeking legal opinion/views. The Law department has given legal opinion/views on such matters time to time.

FUNCTIONS

In order to regulate speedy, effective and efficient system of work in the Department. This department deals with all courts cases involving interest of the TTAADC right from the lowest grade of court to the highest and arrangement lawyers to look out/conduct the departmental case.
