

The TCP&YP Department bifurcated in two wings as ICA&T and Sports and Youth Programme w,e,f, 24.5.2007 under TTAADC. The Sports and Youth Programme wing has been assigned with the responsibility of promoting games and sports including physical Education and Youth programme and its related activities.

So, Keeping in view of the present scenario the Sports and Youth Programme wings, TTAADC is proposing for implementation of the following schemes and programmes.

Organization and strengthening of games and sports in TTAADC .

Games and sports in an inseparable component of physical and health Education. Games and sports contribute to the development of certain qualities such as physical fitness, mental alertness and team spirit etc among the children, boys and girls. Therefore, games and sports should get due emphasis in the school in TTAADC areas. Over and above, to create enthusiasm for game and sports and to enable tribal children, boys and girls to developed their inmate athletic skill. So it is to be considered useful for organizing sports coaching of the school children of TTAADC areas in Tripura.

The Goal of plan and programme.

- i To provide scope to the Youths to develop with healthy mind and healthy body.
- ii To develop standard of sports up to the National and International Levels.
- iii. To create a positive mentality in the spirit of integrity, unity and brotherhood among the youths.
- iv To develop necessary sports infrastructure in the TTAADC areas.
- v. To provide Sports materials at the time of conducting coaching camp in a particular field for encouragement of the Sportsmen.
